

Individual Contributor License Agreement Polygon zkEVM Project

Thank you for your interest in the Polygon zkEVM project (“**Project**”) by Catenable AG (together with its affiliates, “**Polygon Labs**”). This Individual Contributor License Agreement (“**Agreement**”) clarifies the intellectual property rights that you are granting to Polygon Labs with respect to your Contributions, as defined below. By signing this Agreement to make a Contribution, you acknowledge that you have read, understand and agree to be bound by this Agreement with respect to your present and future Contributions submitted to the Project.

“**Contribution**” means any work of authorship, including any modifications or additions to an existing work, that is submitted by you to the Project for inclusion in the Project. A Contribution may include software, documentation, or other works of authorship. For the purposes of this definition, “**submitted**” means any form of electronic, verbal, or written communication sent to Polygon Labs or its representatives, including but not limited to communication on electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, Polygon Labs in connection with the Project, but excluding communication that is conspicuously marked or otherwise designated in writing by you as “Not a Contribution.”

1. You acknowledge that the Project software is licensed under the Affero General Public License Version 3, found at <https://www.gnu.org/licenses/agpl-3.0.txt>. Your Contribution is made pursuant, and subject, to the MIT license, found at <https://opensource.org/license/mit/>.
2. You represent that your Contribution is an original work of authorship, and does not include any third-party materials subject to any restriction inconsistent with the license set forth in Section 3. You further represent that you are the copyright owner of your Contribution or have been authorized by the copyright owner in writing to make the Contribution pursuant to this Agreement.
3. Subject to the terms and conditions of this Agreement, you hereby grant to Polygon Labs and to recipients of software distributed by Polygon Labs a perpetual, worldwide, nonexclusive, no-charge, royalty-free, irrevocable copyright license to reproduce, prepare derivative works of, publicly display, publicly perform, sublicense, and distribute your Contributions and such derivative works. Except for the license you are granting herein to Polygon Labs and to recipients of Project software distributed by Polygon Labs, you reserve all right, title, and interest in and to your Contributions, provided that you may not grant rights to others that limit or effect the rights of Polygon Labs under this Agreement.
4. You represent that you are legally entitled to grant the license set forth in Section 3. If your employer(s) has rights to intellectual property that you create that includes your Contributions, you represent that you have received written permission to make Contributions on behalf of that employer, that your employer has waived such rights for your Contributions to the Project, or that your employer has a separate Corporate CLA with Polygon Labs.

5. UNLESS REQUIRED BY APPLICABLE LAW OR AGREED TO IN WRITING, YOU PROVIDE YOUR CONTRIBUTION ON AN "AS IS" BASIS, WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY WARRANTIES OR CONDITIONS OF TITLE, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE.

6. You agree to notify Polygon Labs of any facts or circumstances of which you become aware that would make any of your representations set forth in this Agreement inaccurate in any respect.
